### **About DocGo**

DocGo is leading the proactive health care revolution with an innovative care delivery platform that includes mobile health services, remote patient monitoring, and ambulance services. DocGo disrupts the traditional four-wall healthcare system by providing high quality, highly accessible care to patients where and when they need it. DocGo's proprietary technology and dedicated field staff of certified health professionals elevate the quality of patient care and drive business efficiencies for facilities, hospital networks, and health insurance providers. With mobile health, DocGo empowers the full promise and potential of telehealth by facilitating healthcare treatment, in tandem with a remote physician, in the comfort of a patient's home or workplace. Together with DocGo's integrated Ambulnz medical transport services, DocGo is bridging the gap between physical and virtual care.
