

## DocGo Secures Five New Contracts to Provide Healthcare In Markets Across the United States

June 24, 2024 at 7:35 AM EDT

NEW YORK--(BUSINESS WIRE)--Jun. 24, 2024-- DocGo Inc. (Nasdaq: DCGO) ("DocGo" or the "Company"), a leading provider of technology-enabled mobile health services, today announced it has secured five new contracts that include remote patient monitoring (RPM), virtual care management (VCM), chronic care management (CCM), cardiac implantable electronic device (CIED), and a care gap closure program for a national health plan. These noteworthy examples of new DocGo contracts expand the Company's reach and ability to deliver quality virtual, in-person, and mobile healthcare services.

"We are proud to announce these new contracts for our mobile healthcare services," said Lee Bienstock, CEO of DocGo. "These programs will enable us to reach more people with proactive healthcare – helping keep them healthy and out of the hospital."

New contracts include:

- An agreement with a national health plan with approximately five million members where DocGo will help close care gaps and lower medical costs for hard to reach, unengaged members, and underserved populations. DocGo expects to launch a program in California to provide preventative services including annual wellness visits/physicals, vaccinations, diabetic retinopathy screenings, bone mineral density screenings, electrocardiograms (ECG), and more.
- An agreement with a not-for-profit that owns and operates 10 hospitals and numerous clinics in the Pacific Northwest for whom DocGo already monitors 3,900 patients. The Company expects to add an additional 4,000 patients at two additional clinics for CIED remote monitoring.
- An agreement with a hospital clinic in Oklahoma where DocGo expects to monitor over 1,000 patients for CIED.
- An agreement with a cardiovascular institute in Delaware where DocGo expects to monitor over 350 patients for CIED.
- An agreement with an assisted living provider with facilities across the Southwest where DocGo expects to provide Virtual Care Management, including RPM and CCM Services.

The addition of these five contracts broaden DocGo's reach and impact, and will help expand patient access to essential healthcare needs.

### About DocGo

DocGo is leading the proactive healthcare revolution with an innovative care delivery platform that includes mobile health services, remote patient monitoring and ambulance services. DocGo is helping to reshape the traditional four-wall healthcare system by providing high quality, highly accessible care to patients where and when they need it. DocGo's proprietary technology and dedicated field staff of certified health professionals elevate the quality of patient care and drive business efficiencies for facilities, hospital networks and health insurance providers. With Mobile Health, DocGo empowers the full promise and potential of telehealth by facilitating healthcare treatment, in tandem with a remote physician, in the comfort of a patient's home or workplace. Together with DocGo's integrated Ambulnz medical transport services, DocGo is bridging the gap between physical and virtual care. ### Forward-Looking Statements

This press release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, regarding, among other things, the plans, strategies, outcomes, and prospects, both business and financial, of the Company, including the Company's provision of services pursuant to its new contracts and the expected benefits of such contracts. These statements are based on the beliefs and assumptions of the Company's management. Although the Company believes that its plans, intentions and expectations reflected in or suggested by these forward-looking statements are reasonable, the Company cannot assure you that it will achieve or realize these plans, intentions, outcomes, results or expectations. Accordingly, you should not place undue reliance on such statements. All statements other than statements of historical fact are forward-looking. In some cases, these statements may be preceded by, followed by or include the words "believes," "estimates," "expects," "projects," "forecasts," "may," "might," "will," "should," "could," "can," "would," "design," "potential," "seeks," "plans," "scheduled," "anticipates," "intends" or the negative of these terms or similar expressions.

Forward-looking statements are inherently subject to substantial risks, uncertainties and assumptions, many of which are beyond the Company's control, and which may cause the Company's actual results or outcomes, or the timing of results or outcomes, to differ materially from those contained in the Company's forward-looking statements, including, but not limited to the following: the ability of the Company to realize the benefits of its contracts; the Company's ability to successfully implement its business strategy; the Company's reliance on and ability to maintain its contractual relationships with its healthcare provider partners and clients; the Company's ability to compete effectively in a highly competitive industry; the Company's ability to maintain existing contracts; the Company's reliance on government contracts; the Company's ability to effectively manage its growth; the Company's financial performance and future prospects; the Company's ability to deliver on its business strategies or models, plans and goals; the Company's ability to expand geographically; the Company's competitive position and opportunities, including its ability to realize the benefits from its operating model; and other risk factors included in the Company's filings with the Securities and Exchange Commission.

The forward-looking statements made in this press release are based on events or circumstances as of the date on which the statements are made. The Company undertakes no obligation to update any forward-looking statements made in this press release to reflect events or circumstances after

the date of this press release or to reflect new information or the occurrence of unanticipated events, except as and to the extent required by law.
