Canaccord Genuity Medtech, Diagnostics and Digital Health & Services Forum (November 21st)

Lee Bienstock, Chief Executive Officer will hold 1x1 meetings at this event. Contact your Canaccord representative for additional details.

BTIG Digital Health Forum (November 25th)

Lee Bienstock, Chief Executive Officer will participate in 1x1 meetings and on a panel titled *Care Coordination, Gap Closures and Lower Cost Sites of Service* at 9:00 AM ET. A webcast of the event will be available on the investor relations section of DocGo's website at <https://ir.docgo.com/>.

About DocGo

DocGo is leading the proactive healthcare revolution with an innovative care delivery platform that includes mobile health services, remote patient monitoring and ambulance services. DocGo is helping to reshape the traditional four-wall healthcare system by providing high quality, highly accessible care to patients where and when they need it. DocGo's proprietary technology and relationships with a dedicated field staff of certified health professionals elevate the quality of patient care and drive business efficiencies for facilities, hospital networks and health insurance providers. With Mobile Health, DocGo empowers the full promise and potential of telehealth by facilitating healthcare treatment, in tandem with a remote physician, in the comfort of a patient's home or workplace. Together with DocGo's integrated Ambulnz medical transport services, DocGo is bridging the gap between physical and virtual care. For more information, please visit www.docgo.com.
